

# Online Islamic Studies Programme for Teens

(Madrasah For Boys)

Academy of Quranic Sciences

### **The Institute:**

Academy of Quranic Sciences (AQS) is an online institution of Islamic learning that aims to inspire Muslims living in the fast paced modern West to spiritually and intellectually connect with their faith and Creator. As the hadith states: "Allah is beautiful and loves beauty"; our focus is therefore to inspire students to adorn their lives with the manifestation of the beauty of our religion, as a result becoming amongst those who are beloved to Allah. Our instructors have been trained both in the Traditional Islamic Sciences as well as in Western Academic Institutions. We therefore employ the best of education theory and practice from current research along with guidance from our beautiful tradition of the last 1400 years of Islamic intellectual heritage.
